SINGING CONVENTION STORY. The Coffee County Singing Co. ention will hold a joint meetir with the Singing Society at Kinsto on Friday and Saturday, August 5-

Mrs. Mae Frank Bryan,

George Willis. Committee.

THE NEXT Thirteen Years , even with good averag

> GREATER progress will be made in Alabama in the next thirteen years than in the past four hundred.

> In these thirteen years industry will be decentralized and plants scattered broadcast through the state. Demands for power will increase fourfold.

> These are neither vague guesses nor wild prophecies.

They are the confident forecasts of our statistical department, reached only after careful study and analysis of count less factors which are speeding Alaba-

Within the past thirteen years—the hydro power period in Alabama—payrolls have increased approximately \$75,000,000.

With a predicted demand for four and a half billion kilowatt hours of electricity in 1940 as against one and one quarter billion in 1926—a quarter billion dollar payroll in Alabama is forecast within the thirteen years ahead.

These plants will come not only to the larger centers, but to smaller towns of Alabama where hydro-power is available, where labor is plentiful and living

Prosperity inevitably follows in the wake of industry. Each new plant brings employment to many-creates new business enterprises, new markets for the farmer, and benefits each in-

dividual where it locates. Power made available from Alabama rivers is the life-blood of industry. It must course ahead of industrial development. Throughout the past thirteen years, the service of Alabama Power Company has been one of the greatest stimulating forces to progress.

In the great epoch of prosperity which lies before us in the next thirteen years, Alabama Power Company will do its part-and more-for statewide progress, meeting growth with power and lifting the burden of drudgery from men and women to the tireless shoulders of the

# Opens Trust Department

We take pleasure in announcing to our friends and customers that this bank has been granted permission, by the Federal Reserve Board of Washington, to open a TRUST DEPARTMENT and we are permitted to act in the following capacities for our customers and friends.

Trustee, Executor, Administrator, Guardian of Estates, Registrar of Stocks and Bonds, Assignee, Receiver, Committee of Estates of Lunatics, or in any other fiduciary capacity in which any bank, trust company or corporation can act under the laws of the State of Alabama.

Many of our patrons have asked us to serve in the in the capacity of Executors and Administrators of their estates and it is for this purpose that we are opening our TRUST DEPARTMENT.

To any of our customers or friends who desire this bank appointed Administrator, Executor, or Guardian of Estates, we tender our service promising to give these estates the same careful attention given all business entrusted to our care.

It is of distinct advantage to you to have this bank named as Executor or Administrator of your estate for the following reasons:-

- FIRST—This bank will be in existence many, many, years after your death and the carrying out of your Will does not depend on the life, death or good fortune of a friend or relative.
- SECOND-In having this bank appointed Administrator or Executor of your estate, the entire Capital, Surplus and Profits of this bank, aggregating \$300,000.00, is a bulwark of safety and protection to your heirs and loved ones. In other words, the assets of this bank is ample security to assure you that each and every provision of your Will will be carried out in accordance with your desires.
- THIRD-If this bank is designated as your Administrator or Executor your wife and children, who are possibly inexperienced in business, will not have this great care and responsibility to shoulder.
- FOURTH-If this bank is named Executor or Administrator of your estate it is not necessary for your family to depend on any relatives or friends to look after your estate and who often times are not capable of managing an estate.
- THIS TRUST DEPARTMENT WILL BE UNDER THE DIRECT CHARGE AND CONTROL OF C. W. MIZELL, TRUST OFFICER, WHO IS ALSO PRESIDENT OF THIS BANK.

We invite our friends and customers to come in the bank and discuss freely with us the question of their estate and we will be glad to give you the benefit of our advices as to the working of your Will and assist you in every way possible in having your estate left in a way satisfactory to you.

We appreciate the confidence shown in this bank by our patrons and in opening this TRUST DEPART-MENT we are endeavoring to continue the high grade of service rendered our customers and friends for the past 22 years.
